

Playing Guidelines for Courts

Update - in operation from 1st Aug 2020

Following recent changes to LTA guidelines, we are now able to restart our club play sessions from the beginning of August as follows:-

- 2.00 - 5.00pm on Saturday afternoon, starting from 1st August on courts 1-5.
- 6.00 - 10.00pm on Tuesday evening, starting from 4th August on courts 3-5.
- 6.30 - 10.00pm on Thursday evening, starting from 6th August on courts 3-5.

- Courts 1 & 2 will remain available for individual member booking on Tuesday and Thursday evenings.

- There is obviously a slightly higher Covid risk in a group setting and, because of national "track and trace" requirements, we will need to have a record of who has played at club sessions, so there will be a register at the clubhouse for people to put their names in when playing.

- Where courts are booked individually, we have the name of the person who has booked available through the online booking system - those people will need to keep a record of the others who played in their group, in case the club becomes subject to a track and trace review process. Such records are only required on a temporary basis to cover the most recent three-week period.

Our general guidelines remain the same: -

- Do not come to the club if you have a new, continuous dry cough, a high temperature or you have lost your sense of taste or smell.

- Observe the hygiene guidance and maintain social distancing, both on and off-court - there are sanitiser and anti-bacterial wipes available at the court side.

- The clubhouse kitchen and seating area remain closed; however, you may use the toilets and operate the light meter. Again, please use sanitiser and anti-bacterial wipes particularly when using the toilets.

Remember that if you are last people on the court please lock the padlock on the gates when you leave and ensure the clubhouse is also locked.
